

# When earthquake shaking begins . . .

## Drop, Cover, and Hold

September 19, 2007  
10:15 AM

### NOAA Weather Radios

Locate your school's NOAA weather radio  
Check/replace the batteries, as needed

Contact your local emergency management agency and find out who is your primary  
**Emergency Alert System (EAS)** broadcast station

Set your NOAA weather radio to the correct frequency
